

**2017 EARLY-SEASON PREP-CAMP**

# **WOODWARD COPPER, CO**

**DECEMBER 18-22, 2017**

Attention snowboarders and freeskiers,

For the 5th year running Bud Keene, Scott Harris and their world-class staff at **BKPRO** will be helping pipe and park freestyle athletes to prepare for their best season on-snow yet at the 2017 **BKPRO** Early-Season Prep-Camp to be held at Woodward Copper, CO December 18-22, 2017

You are invited to join Bud, Scott, and their Pro staff at **BKPRO** for this intensive early-season prep camp to be held on Woodward Copper's 5-star superpipe and park. The World Cup and Rev Tour will have just left town, so the features will be in pristine shape. There is simply no better place to get prepared!

This camp will give athletes of all ages and ability levels a serious advantage going into the 2017/2018 competitive season. For many years any US athlete wishing to get a head-start on the season and a leg-up on the competition has made the trip to Summit County, Colorado to get tuned up. While your competitors are back home riding and skiing whatever limited terrain is available, you will be getting it done in Colorado with sunshine, perfect snow, and with a perfect pipe and jumps!

On-hill technical coaching and instruction, daily video analysis, tuning and waxing instruction, trick progression and technique guidance, practical pipe and park riding theory, elements of style, run construction to optimize your skills, trick selection, mental preparation, inspiration, and motivation – the list goes on.

\*At the end of the week every athlete will even take home a memory stick containing all of their personal footage!

With multiple USASA national titles, banger Video Parts, Grand Prix and Dew Tour podiums, and World Cup, X Games, and even Olympic Gold and Silver medals to their credit, Bud, Scott, and their staff at **BKPRO** know how to set an athlete up for the best season of their life!

Whether you are a seasoned competitor at any level, or just getting started in the world of freestyle, you WILL progress in your game at this camp. Come join **BKPRO**, generate serious momentum going into this Winter, and set yourself up for the best season of on-snow performance and fun of your life!

Above all, **BKPRO** stands for **Progression**:

**Progression** of learning techniques...

**Progression** of the athlete...

**Progression** of the sport...

See you there.
