

INTERNATIONAL PROGRESSION CAMP

LES DEUX ALPES, FRANCE

JUNE 21 – JULY 1, 2018

BKPRO goes to Europe!

Join Bud and his staff for a once-in-a-lifetime Summer camp experience abroad in the beautiful French Alps.

Well-known as one of the premier Summer snowboard and freeski destinations in the World, “Les Deux” boasts a quality 22’ superpipe, rail and box features galore, and jump lines of all sizes serviced by rope tows. Campers will begin the daily commute to the glacier by boarding a private chairlift just behind the hotel, avoiding the lengthy lines of the gondola in town that everyone else uses.

Down in the charming and safe alpine village, campers and staff will stay at the luxurious Hotel Mercure in double and triple-occupancy rooms and enjoy fantastic chef-prepared meals with a myriad of options to satisfy any dietary preference. After daily video review, afternoons will be spent taking advantage of the unmatched-anywhere-else-in-the-world offering of activities including flybed trampolines, alpine slide, driving range, skatepark, mountain bike park, bungee jumping, whitewater rafting, downhill go-karts, and much more.

This is a training opportunity and cultural experience not to be missed!

Trip will include round-trip airport-to-resort ground transportation (airfare not included), double and triple-occupancy luxury accommodation, full meal plan, lift tickets, afternoon activities, and 24-hour supervision.
