

### NATIONAL LEVEL CAMPS

# MAMMOTH MOUNTAIN, CA

## SPRING 2018

Attention athletes,

You have been selected to receive this invitation to join Bud Keene and an all-star staff of snowboard and freeski coaches for a ground-breaking training opportunity to be held this Spring at Mammoth Mountain, CA.

Now in it's fifth year, this **BKPRO International-level** camp has both set the standard for and single-handedly coined the term "Progression Camp." At every level athletes in attendance have achieved new tricks and skills for themselves and have realized a higher plane of performance. From 8 year olds to Olympic Gold, Silver, and Bronze medalists these camps have consistently served as a springboard to greatness for all athletes.

Take advantage of Bud and his staff's Olympic medal-winning coaching skills, and unlimited access to Mammoth's amazing natural terrain as well as the **BKPRO** private 5-star training and progression zone during one or both of two sessions. These camps are strategically scheduled, coming at a time of the year when you are fit, and at the top of your game, yet well-rested. With over 25 years of coaching experience, and with multiple Olympic gold and silver medals to his credit, Bud knows that there is no better time for a snowboard or freeski athlete to surge forward in their abilities.

**BUD KEENE PROGRESSION CAMPS** offer snowboarders and skiers the highest-quality terrain, facilities, coaching, and sport-specific education in the world, and all for the purpose of progression. Plainly put, when you attend a **BUD KEENE PROGRESSION CAMP** YOU WILL PROGRESS in your game.

And this private **BKPRO** Mammoth Mountain setup will be world class! Airbags will be fitted to the ends of the full-length 22' superpipe walls, and into 2 different sized jumps for soft-landing trick rehearsal. Of course the snow will be soft and the sun will be shining in Mammoth, so taking these new tricks onto the snow in the halfpipe or onto the identically-sized jumps will be the realistic goal. Then you'll add them to your repertoire.

Join Bud and his staff this Spring, and take concrete steps toward your future in action sports. At a **BUD KEENE PROGRESSION CAMP** you will encounter like-minded individuals who are serious about their sport, and who eat, live, breathe progression 24/7.

Above all, **BKPRO** stands for **Progression**:  
**Progression** of learning techniques...  
**Progression** of the athlete...  
**Progression** of the sport...

See you there.

**BUD KEENE**
